MEMORANDUM FOR THE BOARD

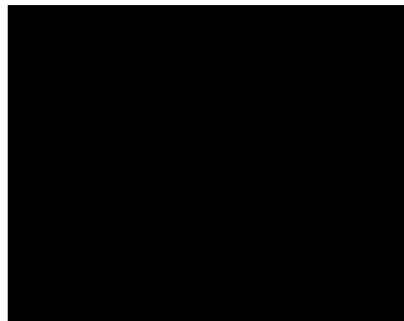

13 March 1952

Subject: Proposed Addition -- SE-24

The undersigned members of the task team for SE 24 suggest that the following be inserted as the first paragraph under CONCLUSIONS:

Note: Other than an analysis of Communist propaganda surrounding the BW charges, there is little positive intelligence available on which to judge the Communist motives underlying these charges or on which to assess the probable Communist courses of action which these charges might portend. The analysis of Communist propaganda in the absence of other intelligence is not a definitive guide to Communist intentions. The following conclusions should be noted in the context of these limitations.
